

Certificate of Analysis

Product Name:	Bioeast Polystyrene Particles
Catalog Number:	P0400C
Lot Number:	20220512
Appearance:	White suspension
Concentration:	10 %
Particle Size:	400 nm
CV:	<3%
COOH Content:	76 $\mu\text{mol/g}$
Buffer:	Purified Water, 0.05% ProClin 300
Storage:	Store at 2-8 °C for two years. Do not freeze. Keep the vial upright.
Note:	For diagnostic use only. Not intended for therapeutic use.
Quality Department:	Date:2022.05.20
