

Certificate of Analysis

Product Name:	Bioeast Europium Chelate Polystyrene Particles, Streptavidin
Catalog Number:	EU0200CM-S
Lot Number:	20230706
Appearance:	White suspension
Concentration:	1%
Particle Size:	200 nm
CV:	<3%
Coupling Ligand:	Streptavidin
Buffer:	Purified Water, 0.05% ProClin 300
Storage:	Store at 2-8 °C for two years. Do not freeze. Keep the vial upright.
Note:	For diagnostic use only. Not intended for therapeutic use.
